

Mid North Knowledge Partnership

Presents:

Attracting Migrants to Rural Areas: A Case Study of Burra, Eudunda and Peterborough.

This is the outcome of a five month local research project, presenting the findings on the motivations of people migrating to our rural communities, and the role that tourism heritage assets play in the decision making process.

Followed by an open discussion of how to attract and retain active migrants to your community, preservation and promotion of the heritage assets.

DATE MONDAY 25TH NOVEMBER 2013

TIME 1PM light lunch provided, followed by presentation.

VENUE REGIONAL COUNCIL OF GOYDER
COUNCIL CHAMBERS, 1 MARKET SQUARE, BURRA

PRESENTERS ANA VUIN (IMC University of Applied Science, Austria)
